

BLIND

Introduction to a new experience.

#BLINDXPERIENCE

BLIND

XPERIENCE

WHAT IS IT?

- **Global Concept:** BLIND is an immersive clubbing experience traveling across the world, designed for those who want to experience something different and pure.
- **Philosophy:** BLIND is more than a party; it's a philosophy focused on creating an intimate and uninterrupted musical experience.
- **No Phones, No Cameras:** To foster genuine connections and full immersion, we ban phones and cameras, ensuring the dancefloor stays alive and vibrant.
- **Mystery DJ:** The DJ's identity is revealed only on the dancefloor, adding an element of surprise and excitement.

Total mystery until you step inside!

FOCUS OF THE BLIND CONCEPT

- **Unannounced Artist:** By not revealing the artist in advance and focusing on Thursdays and Fridays, we aim to negotiate more favorable rates for top DJs.
- **Intimate and Immersive Experience:** The no-phone, no-camera policy ensures a pure, uninterrupted experience, making the dancefloor vibrant and lively.
- **Global Reach:** BLIND is an international concept with events in cities like Paris, Dubai, Milan, Cairo, Madrid, Marrakech, Cannes, Berlin, Ibiza, and more.
- **True Music Lovers:** Attracts genuine music enthusiasts, creating a sense of community and connection.

THE BLIND MOVEMENT

- **International Reach:** BLIND will be held in top cities worldwide, bringing together true music lovers.
- **Creating Memories:** Each event is recorded and shared on our YouTube channel, preserving the memories and experiences for those who were there and those who missed out.
- **Authentic Party Experience:** BLIND is dedicated to reviving the true spirit of partying, where the focus is on music and dancing, not on phones or cameras.
